WE PRESENT . . .

FOREWORD

TWO PURPOSES emerged in the creation of your *1941 Interlachen*. First, to capture the true spirit of a campus that not only has become infused with the dynamics of a modern age, but has kept its heart near the source of all Beauty and Wisdom, even as it constantly finds new ways of giving expression to the Truth it discovers.

Second, to depict the individual growth that takes place as a concentric phase of the larger movement. To achieve this end, we have chosen to rediscover the natural beauty resident on our campus, using the Tree and its various stages of growth and fruitfulness to parallel the development of the student. Entering as a young twig on which are budded the shoots of Awareness, this young plant, as it grows, has the branches of Knowledge grafted to its trunk, while later dead and useless limbs are pruned away. Finally the golden fruit of our Tree of Life goes out to bring new happiness and new values to the world beyond the boundaries of our campus. Binding all into one whole is the wood-grain cover of Character. And with this Bunyan-like interpretation, we commend it to you who made it.

Theme

IN THE MYTHOLOGY of almost every ancient race the Tree has stood as a sacred Symbol of Life. Viewed variously as the bearer of Life's fruit, as the shelterer and protector of early man, as his natural temple wherein he worshipped whatever Gods were known to his primitive mind, this eternal Yggdrasil of the ancient Germans, Tree of Life of Hebrew tradition and Egyptian folklore, has become today the Cloven Oak of England, battered and scarred symbol of the fight for Justice and Truth.

Yet, as Time has placed its indelible mark upon this age and upon this year, we turn again to the Tree which on our own campus has become the symbol of youth's growth from a young green shoot to the sturdy plant of maturity, bearing its fruit in the world of today, even as it sends its tap root deep into the soil of those eternal values found only in a Christian democratic society; standing firm against the onslaughts of wind, rain and adversity.

Here, among these trees have we found beauty; here have we known those quiet moments in which our souls have found guidance for the tasks of the future; here have we shared our dreams, even as the winds have told us of things to come; here have these trees become for us symbols of one brief, ecstatic moment, our college years. Blow winds, strip bare our limbs, yet towering over an age of warfare, we shall yet stand to blossom forth in other Springs!

Dedication

TO BISHOP ARTHUR J. MOORE, dynamic leader of men, staunch defender of the faith, loyal friend to this college, we in grateful appreciation dedicate the 1941 *Interlachen*. Standing like a mighty Oak, he has been for us a tireless proponent of those universal principles in which his life is rooted.

A tribute to PRESIDENT LUDD M. SPIVEY never attains the vivid qualities which are bound up within his own life and personality. Constantly growing, he extends the branches of Wisdom above the soil in which his beloved young plants will grow to manhood and womanhood. Feeding them with the sap of his own experience taken from deep, hidden well-springs of Life, his spirit in its impulsiveness and impatience has stood triumphant against all storms, and shall remain as organic in nature as the Southern college he is building.

FOREWORD

REVERSING THE USUAL yearbook procedure, we let the seed of an idea sprout, grow and mature in natural order through the class divisions of the *1941 Interlachen*, saving for the last the best—our Seniors!

Following a tradition of recent years, the 1941 Freshman class stole the show from its superiors in providing color and vitality for campus life, as it became chief rival to an outstanding Sophomore array of talent. Acquiring the dignity of advancing years, the Juniors contented themselves in supplying directors of campus activities, while reflections of the Times marked as somewhat subdued the 1941 roster of Graduates whose ranks were somewhat thinned by the national draft. In its totality, a well-balanced student body, working in commendable harmony as it watched a growing campus and a tense world.

— THE SENATE —

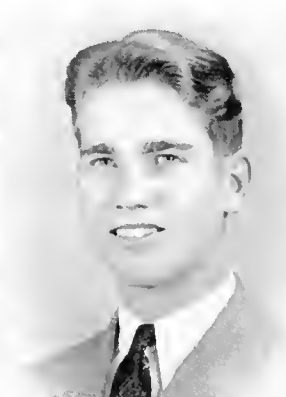

Representing social and class organizations and community student groups, this tribunal is instrumental in promoting harmonious relations between administration and student body. The senate also sponsors college events, assists in the planning of special celebrations such as the Youth Parley and Founder's Week, and supervises all campus elections.

Enjoying an unusually quiet year, the 1941 tribunal opened with a Student Progressive party coalition holding a substantial majority. While party leaders achieved commendably harmonious relationships under the leadership of a popular student body president, spring elections saw senate control swing to the new "S" party as three new seats were filled.

Interpreters of music by Bach, Palestrina, Beethoven, Zingarelli, and other masters, this choral unit appeared in concerts throughout the state. Making two big trips, one to Miami and one to Jacksonville, the chorus featured Mary Curtis and Victor Rankin in solo roles, with John Morgan at the organ. Plans for an exclusively a capella unit in 1912 are pending.

SOUTHERN

An outlet for aspiring journalists of the campus. The Southern has become an F.S.C. tradition of long standing.

Weekly appearances of the "campus rag," as it is affectionately termed by its staff, find Saturday afternoon student groups peering over the latest "Snorebush-Blubberpuss" gossip—; the society functions where names appear in great hordes; "Chit Chat"; the sports review; editor Jenkins' concise and timely editorials; and news reviews that hit the front page.

Current editions of the Southern enjoy the distinction of being 100% student-produced, with weekly productions of the student staff rolling off student-operated presses located on the campus.

Distinction as the first sorority organized at Florida Southern College gives Kappa Gamma Tan a colorful background. In addition to their social activities and musical interests the Kappa Gams are outstanding in literary achievement with the editorship of the college newspaper and three departmental editors on the year-book. Among its other honors are presidencies of the Woman's Student Government Association Council and the Junior class, and when the latest computations were made it received the highest scholastic average among the sororities for the past two years—1938-39 and 1939-40.

Bull sessions; pledges and pledge duties; frequent serenades in the court; special Christmas pageants by Alpha Sigma and Lambda Chi Alpha; "hell weeks"; keen competition in sports, politics and debate.

These were the things that marked the 1941 men's social year as successful amid an atmosphere of change. Change in political affiliations; change in the status of the independent men, who emerged as an important unit in the total campus program; change in location, as Lambda Chi Alpha moved to a new home; change in Alpha Sigma, whose year was marked by growth in numbers and prestige; change in Chi Rho, as an almost entirely new group of members replaced the old.

And change amid all groups as the national defense program reached long arms into fraternity and independent ranks, while still others volunteered for army, navy, and air force duty. A year long to be remembered.

A repeat year for the Alpha Sigma, as the big Blue romped through the FSC 11-sport Intramural program with flying colors and room to spare.

Marked by exhibitions of good sportsmanship throughout, the 1911-12 season was highlighted by intercollegiate basketball, as one of the gamest bunch of Moccasins in recent years made a name for itself in Florida "Big Five" circles.

In his first full year, Coach Gene Battle ably filled the shoes of his predecessor, with boxing being added to the list of sports available for student athletes.

For the third consecutive year the Alpha Sigma "A's" came out on top of Southern's pigskin-classics. Also for the third straight year the "A's" were undefeated although in the best game of the season the Lambda Chi Alpha team tied them 7-7. With Floyd Lay passing and with the rest of the team snagging, Clare Biddle led the Alps to permanent possession of the cup. The Lambs of LCA showed the greatest improvement of the preceding year but all teams were stronger.

Another triumph for Alpha Sigma. With height, experience and skill on their side the Alps finished with a one game margin over the Lambs. Displaying the best team spirit but with no individual stars the Bees were the surprise squad of the season. After losing three straight games they came back in the second round to win four out of five, giving their big brothers permanent possession of the cup. The leadership of "draft-dodger" Wilson helped the A's in winning.

BARNETT, *Champion*

Experience and inter-frat competition won the permanent possession of the horseshoe cup for the Alpha Sigs. Tournament competition was keen with Floyd Lay losing in the finals to Robert Barnett. Many newcomers showed up some of the old standbys in this race proving the Southern's intramurals are for the entire student body. Bob and Floyd gave one of the best shows of the year in the final match when the score of the last game was tied and Barnett won by a double ringer.

One of FSC's most unusual happenings of the year was seen in the Ping-Pong race when the LCA 'B' team beat both the Sigs and Lambs 'A' teams. They out-pinged every opponent encountered, winning the cup and causing a big upset.

Floyd Lay won the individual cup by defeating Walter Ropp. Probably the closest and hardest fought game of the entire tournament was the final game of the match when Ropp was leading 15-10 and Lay won seven straight points to take the cup.

The final game to decide the issue of who should take home the team cup found Warren Wooten and Floyd Lay, the individual champ, matching styles. Scoring an upset, Wooten outplayed the favored Lay to win for the Lambs in a fast, skillful and exciting game while the lead see-sawed back and forth from time to time.

SHUFFLEBOARD

CLEMENTS, *Manager*

For the first time in history the Chi Rho's, a scholastic-minded fraternity, won an intramural cup. The season ended with the Lions and the Alps in a deadlock for first place. In the playoff the Lions, greatly improved from last year, fairly took the Alpha Sig team for a sweeping and won their place in the intramurals.

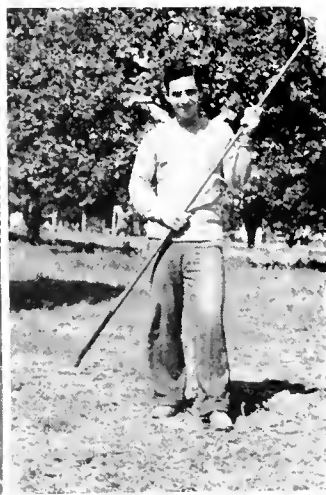

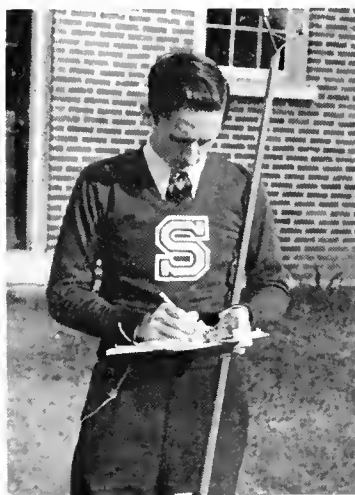

Bob Barnett out-shuffled Jack Denmark in the finals to win the individual cup. Highlight of the tournament was a semi-final match between Barnett and Clare Biddle that lasted an hour and twenty minutes.

This "old man's game," as it has been termed by collegians, brought out talent that otherwise one would never guess existed, as youth took to the sport with relish. Football stars, basketballers, track men and boxers, all took their turn on the hardwood for exhibitions of more delicate artistry.

THE MOCCASINS

With a new coach, a new system and the loss of three starting players to face them, the 1911 Moccasin basketball team approached what appeared to be a somewhat questionable season.

How these boys reacted is now history. Led by Captain Floyd "Elmer" Lay, a team that had color to spare scored upset victories over Miami and Rollins, and threw a big scare into Florida's highly-touted Southeastern conference Gators.

With Lay and Biddle left from the '10 squad, Coach Battle developed a well-knit first string five, with Johnny Young, Paul Williams and Julian Burke stepping into the varsity positions. One other veteran, Luce, played his last game for Southern, and along with Lay and Biddle, will have to be replaced in 1912. This is a job few coaches would relish.

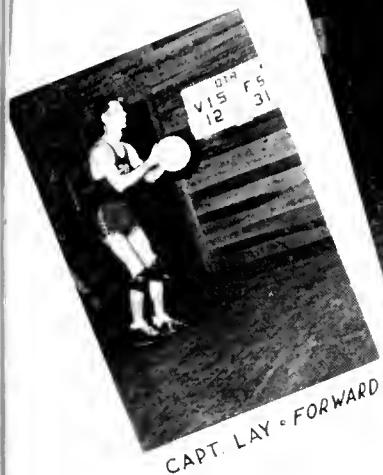

Lay's control of the team and superb ball handling ranked him as one of Florida's outstanding hardwood artists, while 1911's surprise package was "wildfire" Johnny Young who showed plenty in his first year out.

This year saw the utmost in thrills and sportsmanship as cheers rang through the Gilbert gym until the final whistle of the last game. The Lambda Chi Alpha quintet captured the cup after several very close encounters. Their only defeat of the season was to the scrappy Independent Barbs. Last year's champs, the "A's" threatened, but were unable to hold a last quarter lead. With the finest team they have ever put on a court, the Lambs were

involved in both of the most spectacular games of the season. Number one was the Independent victory over the Lambs by a slim margin and the second, the final game between the Lambs and the Sig "A's". The latter was one of the hardest intramural games of the year with the Lambs winning by two points.

In the foul shooting race Floyd Lay defeated John Young in a playoff by making 42 out of 50 tosses.

Alpha Sigma

Likewise on the court, the Blue of Alpha Sigma swept through its season undefeated, with slight opposition led by Lambda Chi Alpha. VOLLEYBALL

At the sound of the whistle Independents-Tri Zetas and Kappa Gams-Theta Chis served simultaneously as volleyball officially opened the intramural season. The Independents and the Kappa Gams were victorious in these games, but later in the first round when these two met, the Independents won and continued to win throughout both rounds. The Alpha Chi team which took first place last year, gave the Independents their strongest competition.

Those selected by the Intramural board as members of the all-star team are: Helen Davison, Elizabeth Tyler, Lella Rice, Peggy Edwards, Clara Nell Scott, Edna Long, Nancy Moody, and Violet Aldridge.

SPEEDBALL

The Delta Zetas walked off with the honors in speedball this year. Continually plugging away in each game, they gained the coveted championship. The only upset suffered by the champions was a defeat by the Kappa Gams.

The last Independent-Delta Zeta game was a fight to the finish. Only time ended the fight for the team leadership, and Delta Zeta won by a score of 13-12.

Independents and Alpha Chis tied for second place. Both teams lost three games, and tied, 5-5, in the final. The Kappa Gams waged an active fight for second place.

The All-Star team was composed of: Peggy Edwards, Lella Rice, Edna Long, Violet Aldridge, Nancy Moody, Helen Davison, Laretha Lord, and Elizabeth Tyler.

BADMINTON

Badminton, growing more in popularity every year in the intramural program, brought close competition between Independents, Kappa Gams and Alpha Chis, with only one game difference in their standing. The Independents took the lead and the Kappa Gams came in second.

Lella Rice, playing a steady game throughout the individual tournament, in the finals defeated Helen Davison, despite the latter's excellent footwork, thus claiming the trophy for the year.

Grace and dexterity plus almost perfect coordination were the things co-ed participants gained as the result of afternoon hours spent in the gym with racquet and darts.

NORWEGIAN BASEBALL

Norwegian Baseball was the next to loom on the sport's horizon. Strong Tri-Zeta and Theta Chi teams made the games more interesting.

When the Alpha Chis, last year's winners, came to bat with the Delta Zetas, who were third placers last year, the game was a toss-up until the final whistle blew. The Delta Zetas continued their steady playing to win the championship without a defeat.

The All-Star team for Norwegian Baseball was: Peggy Edwards, Nancy Moody, Lella Rice, Violet Aldridge, Elizabeth Tyler, Clara Nell Scott, Edna Long, Sue Ella Cason, and Helen Davison.

Basketball, Southern's best-loved sport, attracted great interest among all Southern co-eds. Climbing rapidly up the ladder towards success, the Tri-Zetas and Delta Zetas put up such strong opposition that the Alpha Chis and Independents, pre-season favorites, spent many anxious moments.

Alpha Chi Omega

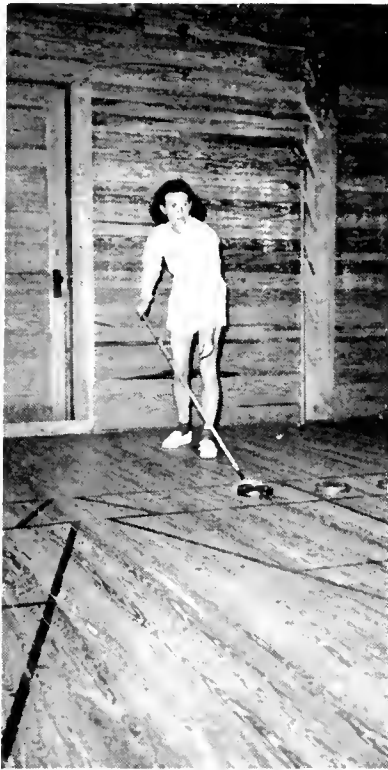

Chis and the Independents, with the former defeating the latter in the first round. However, in the second round the Independents, playing with all their vim and vigor, raced with time attempting to score another point, but the Alpha Chis were too much for them and took the championship in the season's thriller.

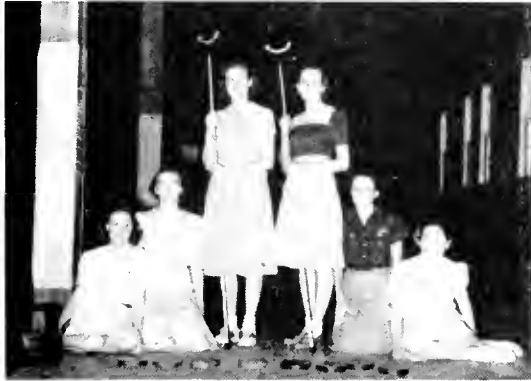

FOUL SHOOTING

1911 Foul Shooting honors went to Peggy Edwards, who shot her way to first star success, continually dropping the baskets in with that "Edwards' ease." She made 32 baskets out of a possible 50. Dorothy Scholl, Independent, captured the runner-up position with 28 baskets.

DAVISON

CHAMPIONS

SHUFFLE BOARD

"First place or nothing" seemed to be the motto of the Independent-Kappa Gam teams, they had to compromise on a tie for first place in the 1941 shuffle board race. Each team lost only one game to each other.

Dot Horton, Freshman rising into the first ranks, challenged Helen Davison on the title game. Helen with her experienced skill again won the individual trophy.

DISC AND PADDLE

PING PONG

"Something old . . . something new . . ." that's the old saying ping pong competition brought to life in 1941. First we find Lella Rice again winning the individual "paddle-pushing" contest. And to complete our adage, a new trio of Virginia Smiley, Betty Satchell, and Peggy Edwards scored team victories for Delta Zeta. This team was undefeated for the entire two weeks of play, but the Independents remained in the "running" to place second.

CHAMPIONS

RICE

ARCHERY

The Independents, shooting for the bulls-eye, went in the red a little too often and came in second to the Kappa Gams who were mostly in the blue.

Helen Davison again sent the arrows quivering to the target, piling up the highest number of points in the individual contest. Archery may become known here at Southern as Davison's Sport as Helen managed the entire archery round, directed her team to victory in the team matches and won

the individual trophy for her third consecutive year.

For the first time in the history of archery on our campus some of the boys stretched the bows. Maybe Coach Gene Battle will add archery to the list of men's sports.

TENNIS

Racquet wielders were still unlimbering in the spring sunshine while the annual started rolling off the press, so it is impossible to wax eloquent about tennis in 1941. Playing for the first year of the new concrete courts, the girls picked Alpha Chi Omega and the Independents as most likely to engage in a duel for the championship.

GOLF

Sunny links, and the laughter of co-ed aces, led by Martha Critchlow, as they gave old man Par an unusual duel. This latest sport on an expanding program may prove to be one of its finest and most popular.

SCOOTER HOCKEY

Scooter Hockey was introduced into the intramural program for the first time this year. The Alpha Chis and Delta Zetas opened the tournament with a general scramble across the floor trying to make connections with their scooters.

The Independents, showing the greatest skill and ingenuity in their play, defeated the Alpha Chis 5 - 1. Barbara Comine, goalie for the Independents allowed only one point to be scored against her team throughout the entire tournament. The Independents became the first champions of Scooter Hockey and the Alpha Chis were second-place winners.

SOFTBALL

Becoming real experts at a formerly exclusive man's sport, F. S. C. co-eds inaugurated their 1941 Softball season with Elizabeth Tyler and Lella Rice doped to lead their Independent cohorts to victory.

NOT LEARNED IN BOOKS!

Some things are not learned in books
. . . . and some things are not registered by
the gas meter.

We think it's important to supply your
home with an even flow of combustible gas,
but it's even more important to serve you
promptly, dependably, courteously — with
what we call "Sunshine Service." We want to
please you when we serve you.

UTILITY GAS IS CHEAP!

SUNSHINE SERVICE is the
cheerful work of skilled men and

Results Alone Count!

-
-
-

Four things are necessary to obtain the best results in printing. They are: Good artwork and photography, good engravings, good paper and ink, good equipment and workmanship in the final process of printing. Just as the best cloth can be spoiled by a careless tailor, so the best printing materials and copy can be ruined by inexpert workmanship. This is the fundamental ingredient.

In the proper selection of each of these requirements, we can assist and advise you. They are a vital part of our service. When planning your printing, we shall be glad to consult with you. We are as near you as your telephone.
